SEEDLINGS - UNBLOOMED

Due to a late start and crowded planting, I have quite a few 2 yr. old seedlings that have not yet bloomed. These are mostly large and medium bulbs. These bulbs are from hand pollinated crosses, but when they were dug several crosses were put together so the exact parentage can not be given. You may have your choice from large, medium or miniature parents. These bulbs are priced as follows.

25 UNBLOOMED SEEDLINGS - \$ 3.50
100 UNBLOOMED SEEDLINGS - \$ 10.00

SEEDLINGS - BLOOMED

These seedlings have bloomed once. I am sure there are some glads in this group. For a real thrill try 100 bulbs of either of these two groups of seedlings. Your money will be refunded if you are not more than satisfied after they bloom.

25 BLOOMED SEEDLINGS - \$ 3.00
100 BLOOMED SEEDLINGS - \$ 7.50

PREMIUMS - In addition to our usual overcount and extras, you may have the following premiums on your order of named varieties of gladiolus. No premiums on orders of seedling bulbs.

FREE PREMIUMS FOR THE FOLLOWING SIZE ORDERS OF NAMED GLADIOLUS

Orders of over \$ 5.00 - 5 UNBLOOMED OR 10 BLOOMED SEEDLINGS.
Orders of over \$10.00 - 10 UNBLOOMED OR 20 BLOOMED SEEDLINGS.
Orders of over \$25.00 - 25 UNBLOOMED OR 50 BLOOMED SEEDLINGS.
